National Coppice Federation

Supporting the Coppice Industry

National Coppice Week 2019

Event Details

Name of event

Working woodlands open day

Date and start time of event

2019-10-26 10:00 AM

Finish time of event

4:00 PM

Nature of event

Demonstrations of coppice crafts such as hurdle and besom broom making, pole lathe turning, charcoal making as well as wood milling and chainsaw sculpting. A chance to talk to woodland workers and craftsmen, buy some of their products and support the management of local woodlands. Meet the Greensand Trust and Forestry England. The day will include some have-a-go sessions - weaving and turning. Tea and coffee in exchange for a donation.

No

Please state if there is a limit on numbers

None

Please state if there are any age limits

None

Access information - slopes, steps, stiles, surface type / quality etc

The Working Woodland Centre and surrounds are level with no barriers or steps. The guided walks will be on surfaced, grassy and earth tracks with no stiles or steps but some squeeze type barriers. There are some slopes of around 1:8. Please call for more information if you have any concerns about your ability to enjoy the walks.

Parking and public transport information

There is plenty of parking in the layby close to the Centre and at the Centre itself. No buses available on a Sunday
