West Lancs Ranger Service - Discover Coppicing at Beacon Country Park

Date and start time of event

16th October 2019, 10am start

Finish time of event

3pm finish

Nature of event

Come along and discover the traditional woodland management technique of coppicing with our resident coppice worker - Twiggy! We will take a walk around the coppice and talk about how and why coppicing is done and then you can get stuck in and have a go yourself!
Please wear sturdy footwear, waterproofs and outdoor clothes you don't mind getting a little grubby. Bring a packed lunch, we will provide hot drinks at various points throughout the day.
